LOILUFY

Loilufy
Illustrator

Brief introduction :

I'm a Malagasy Young Artist specialized in **visual development** and **Illustration** with a strong focus on **character design**.

I do various things like : illustration, concept art and character design for **children's book, brand advertising, magazine, social media visual, pedagogic support**, and much more...
I mostly hired to **visualize** and **share** other's vision.
